

# MAYIBUYE CONSULTATION PROCESS ANNOUNCES SPOKESPERSONS.

07 July 2025

The Mayibuye Consultation Process is proud to announce the appointment of Sidney Baloyi and Hlumelo Biko as its official Spokespersons. Their wealth of experience and dedication to transformative communication will amplify our mission to engage meaningfully with South Africans and stakeholders.

Sidney Baloyi is a veteran Radio Broadcaster and communications expert with over 30 years of experience in radio broadcasting and communications. He brings a wealth of expertise to Mayibuye, ensuring our message resonates with clarity and impact.

Hlumelo Biko studied Politics and History at the University of Cape Town. After graduating in 1998, he pursued graduate studies at the Georgetown University School of Foreign Service. With 26 years of business experience as an investor in Small and Medium Enterprises, and as the author of four published books, he brings intellectual depth and strategic insight to our movement.

The National Consultation Team meeting that took place on the 5th and 6th of July 2025 resolved that the two Spokespersons will have full participation rights in the National Officials of Mayibuye Consultation Process. The detailed outcomes of the NCT will be announced on Tuesday the 8th of July 2025. The NCT resolved to make known its collective views and perspective on matters of national and global importance. The Spokespersons and the National leadership will therefore make reflections and give informed political perspectives on matters of national importance.

The Mayibuye Consultation Process is a bold, inclusive initiative to forge a new political path for South Africa. Born from the urgent need to address systemic inequality, economic exclusion, and political disillusionment, Mayibuye seeks to build an alternative political movement rooted in justice, unity, and shared prosperity. Our vision is to create a South Africa where every citizen's voice is heard, where opportunities are equitable, and where governance serves the people, not the elite. Through nationwide consultations, we are engaging communities, workers, youth, and leaders to co-create a movement that reflects the aspirations of all South Africans.

Mayibuye is not just a process—it is a call to action, a rallying cry for a nation ready to reclaim its future. We envision a movement that transcends division, harnesses collective wisdom, and builds a society grounded in accountability, innovation, and compassion.

We urge all South Africans to join us in this historic journey. Your ideas, energy, and commitment are vital to shaping Mayibuye's vision of unification. Together, we can dismantle barriers, restore hope, and construct a political alternative that delivers justice and dignity for all. Contribute to our consultations, share your dreams, and help us build a movement that will transform South Africa for generations to come. Let us rise as one—iAfrika Mayibuye!
